## Sample Executive Order

*An order prohibiting the state department of child safety (department) from taking rightful federal benefits away from a child in foster care and requiring the department to preserve the child's benefits in the best interests of the child.*

WHEREAS, a review by the Marshall Project determined that child welfare agencies in nearly all states routinely apply for and use children's federal benefits to pay for the cost of foster care; and

WHEREAS, according to the Marshall Project, in 2018, more than \$165 million worth of benefits were taken from foster children throughout the country; and

WHEREAS, up to 20 percent of children in foster care may qualify for federal social security, disability, or veterans' benefits; and

WHEREAS, the state of \_\_\_\_\_ has historically spent federal benefits paid to children in need of state care and who are children with disabilities or who survive their deceased parents or guardians; and

WHEREAS, in 202X, the department used \$X,XXX,XXX of federal benefits to cover the cost of care; and

WHEREAS, when states remove a child from a child's home, placing the child in the care and custody of the child welfare system, it is financially responsible for the cost of care; and

WHEREAS, the department routinely screens children for benefit eligibility, applies for these benefits, usually receives the moneys, and spends the child's benefits without notifying the child;

WHEREAS, conserving benefits for children's future needs is just and equitable, especially children with disabilities or deceased parents;

NOW, THEREFORE, I, \_\_\_\_, Governor of the State of \_\_\_\_, by virtue of the power vested in me by the Constitution and laws of this state, do hereby order and direct:

The Department shall screen every child currently in care and every child who enters care hereafter to determine if the child is receiving or may be eligible for federal benefits administered by the Social Security Administration (SSA), Department of Veterans Affairs (VA), or Railroad Retirement Board (RRB). The department shall screen every child within 60 days of entering care and annually thereafter.

If a child is receiving federal benefits, the department shall determine whether the current payee is adequately preserving the benefits or whether a different representative payee would better prioritize the child's best interests should apply as a preferred payee. If a child is not receiving federal benefits but the department determines that a child may be eligible for federal benefits, the department shall apply for benefits on behalf of the child.

The department shall provide written notification to the child of an application for federal benefits and any determination regarding the outcome of the application as well as any appeal and appellate decision.

If a child in the care and custody of the department is eligible for benefits administered by the SSA, VA, or RRB, the department shall work collaboratively with the child and the child's legal representative, to determine a suitable representative payee. The department may serve as a representative payee and receive funds on behalf of the child as a last resort when no other suitable candidate is available.

When serving as the representative payee, the department shall not use the child's benefits for maintenance payments as defined in 42 U.S.C.A. §675(4)(A), or special allowances for a child of similar age.

The department, when serving as representative payee, shall use a child's funds for expenses necessary to satisfy current, individual, unmet needs and shall conserve a child's benefits for future needs. Expenditure of a child's federal benefits shall be made in consultation with the child and the child's legal representative. Communication with the child shall be conducted in an age-appropriate manner.

The department, consistent with federal law and policy, shall meet with the child and their legal representative and engage with them regularly to ascertain their current unmet and foreseeable needs.

When serving as the representative payee, the department shall deposit a child's benefit payments in a special needs trust, a pooled special needs trust, an achieving a better life experience account (ABLE or 529A account), or other trust account that will not interfere with federal and state asset limitations.

The department shall provide training to agency personnel regarding fiduciary obligations when serving as representative payee, and said training must incorporate establishing, monitoring, and using proper financial vehicles to preserve benefit eligibility.

The department shall provide the child with an annual accounting of the use, application, or conservation of the child's benefits.
